THE DISTINCTIVE LUXURY LIFESTYLE GUIDE

Lamborghini LAS VEGAS

**LOUIS MOINET
MEMORIS 200TH ANNIVERSARY**

Louis Moinet lights up the stars by presenting Memoris, the first chronograph-watch clothed in light. The "Memoris 200th Anniversary" uses a fixed graver engraving technique that is unprecedented in the history of watchmaking. Individually crafted stars highlight a new hour dial, main plate and translucent flange and bridge, making it a fitting tribute to the bicentenary of the invention of the chronograph.
